

GROUND SAFETY RECOMMENDATION

NPA (NO PARKING AREA):

ABSOLUTE PROHIBITION OF PARKING FOR VEHICLES AND EQUIPMENT

Remember:

- not to park in red striped areas;
- not to pass through the manoeuvring area of the Loading Bridge;
- to park the equipment within line restriction (ERA) with brakes fully applied and the engine off;
- to park the equipment so as not to obstruct the fire devices and emergency buttons fuel (emergency fuel).

Please ensure this GSRec is prominently displayed within your workplace (Safety Corner)
